

DIRECTIONS:

The Best way to find us is to enter our address in your navigation device:

1965 Smithtown Ave, Ronkonkoma, NY 11779

(sometimes, if you search "Long Island Flying" in Google Maps, it takes people to our old location)

Our office is located on the second floor of
The North American Hangar

When you arrive, our
Entrance is in the Middle of the Building

Ring our doorbell and we will come down and greet you as quickly as possible!

- Our bell is the top button – labeled "LIF – Long Island Flying"
- It may take us a few moments to get downstairs

If you arrive early:

- There may not be anyone in the office to greet you (especially on a busy weekend)
 - We will be ready for you at your scheduled start time

Train from Penn Station:

- Long Island Rail Road (LIRR), Ronkonkoma Line to the last stop – Check Schedules Online!
- We strongly recommend taking a **TAXI or UBER** from the train station
 - **Tell the Driver our Address** - do not say, "to the airport"
- If you decide to walk: (about 25 minutes)
 - There is a grassy walkway, but it is along a very busy road, and not always mowed perfectly.
